

3wBarceloux-Tibessart Foundation

PO Box 908 Orland, CA 95963 bt_foundation@yahoo.com

Grant Application

Date: May 26,2018

Name of Organization: Orland Tree Committee

Street Address: Mary Rose Kennedy, Chairman, 444 Second Street

City: Orland

State: CA

Zip Code: 95963

Contact Person: Mary Rose Kennedy

Phone: 865-3436

Fax Number: None

E-mail Address: roseandgrump@sbcglobal.net Tax Exempt No. (None, operating as an advisory committee to the City of Orland,170(c)(1)City of Orland)

Maximum Dollar Amount Requested: \$4,000.00

Minimum Dollar Amount that can be effectively used if not fully funded:

Any amount will be appreciated. Present costs are \$65.00 to \$95.00 per tree depending on the type tree and the nursery from whom we purchase the trees. Recently we have also picked up the cost of the replacement soil and compost since the tree committee suggested improving the planting techniques.

Estimated Completion Date: As soon as a solid background fence is built by the city and weather conditions are amenable the landscaping will begin. September or October will be the earliest starting date. Completion should be within nine months of starting.

Did you receive funds last year? Yes No

Did you complete and return GUR? Yes No

1.) **Mission of Organization and description of existing services:**

This committee was established in August 2016, by the City of Orland in response to citizen concerns about the many dead trees in Orland. We presently have eight highly qualified volunteers serving on the committee. We are proud to include one retired biologist, two certified arborists, and one employee of the UC Cooperative Ag Extension Office who works in orchards. The other four of us are active, committed, retired community members. We are dedicated to increasing the number of trees in Orland, replacing the sick or dead trees, and assuring replacement trees are planted in good soil with adequate room for root growth and water absorption.

2.) **Description of proposed project or program:**

The Orland Tree Committee meets once a month to discuss tree concerns brought to us by other citizens or by the members. Pete Carr, City Manager, and Ed Vonasek, City Public Works Director are invited to all of our meetings. Our accomplishments include providing an Approved City of Orland Street Tree List after studying drought tolerance, disease prevalence, root surfacing, maintenance requirements, appropriateness for our climate zone, and mature structure. We began in earnest by working with the city in the planting of the ten Trident Maples in the center of 4th Street. The city did extensive work expanding the holes, removing all the asphalt and compacted roadbed and replacing the soil with new fill dirt mixed with compost. Our most recent accomplishment is the planting of 18 Dynamite Red Crepe Maples along the east and west sides of Fourth Street funded by a grant from the B/T Foundation in 2017.

The Trident Maples were provided by money left in trust by the OBIA (Orland Business Improvement Association) expressly for trees on 4th street. Our next priority is landscaping the Centennial Park Extension corner where the new bronze will be located. After that we will look to planting new trees on 5th Street and 3rd Street.

- 3.) Explain how this project benefits the in and around the community of Orland.

The immediate benefit of landscaping the background for the new bronze will be to enhance the aesthetics of the area and provide an appropriate setting for this beautiful, publicly funded statue. Beyond that the landscaping will extend the Centennial Park adding to the beauty of Orland.

- 4.) Project expenditures including all major components and bids:

The landscape plan includes two additional redwood trees in the far corner, six to ten other evergreen trees lining the fence, Lorapetulum shrubs interspersing the evergreens, and possibly some Dynamite Red Crepe Myrtles artfully interwoven into the whole scene to tie in with Orland's growing street tree theme. *Initial estimated costs \$2,000.00 to \$3,000.00.*

- 5.) What previous sources and amounts of funding were available for this project:

A complete financial statement is enclosed. This particular project has only \$100.00 donated by the Lambda Iota Sorority and about \$50.00 left in our fund at City Hall.

- 6.) List all entities and their donations that have been asked to support this project financially, and what sources other than the Foundation are available to fund the project:

I have asked for and received some money from my sorority, Lambda Iota. Danny Lightle, who works for Ag Extension is looking into writing a grant proposal to the Community Forestry Program. I am also writing a grant proposal to the Rolling Hills Casino for their community improvement program. We also plan to continue speaking to community organizations and even asking the city to help.

- 7.) How shall the Grant from the Foundation be recognized by your organization? (newspaper, thank you note, community recognition, plaque, etc.)

A personal Thank-You will be written to the Foundation and Letters to the Editor will be sent to all the local papers recognizing your grant. I hope to convince the tree committee to put a plaque on the fence recognizing the generous donors.

- 8.) List the person and contact information who will submit the Grant Utilization Report (included with Award check) detailing how the grant money was spent by the next annual meeting of the Barceloux-Tibessart Advisory Committee:

Mary Rose Kennedy, 444 Second Street, Orland, CA 95963, 865-3436

- 9.) Your organization's current budget: Please attach.

We have no operating budget, cost, or overhead charges. Currently all money donated to the Tree Committee is used directly for the tree purchase/replacement program. We have \$150.00 in our present fund at City Hall for future trees.

- 10.) Your organization's financial statement: Please attach.

All finances are handled through the City of Orland at City Hall on 4th Street. Rebecca Pendergras, clerk at City Hall, gave me the enclosed statement of our financial situation.

Donations Received

<u>Date</u>	<u>From</u>	<u>Amount</u>
