3120 Cohasset Rd., Ste. 8
Chico, CA 95973

Ladies and Gentlemen:

On behalf of the Orland Community Scholarship Association, I would like to express again our sincere thanks to the members of the Barceloux-Tibessart Foundation's Advisory Committee for their approval of our grant application that established The Leo and Fern Barceloux Memorial Scholarship for the Orland High School Class of 2020, funded with \$3,000 as acknowledged in our letter dated August 12, 2019.

The Orland Unified School District's website states that all Orland USD school buildings will be closed through June 4 due to coronavirus precautions. As of this writing we are unaware of any plans for scholarship award or graduation ceremonies for the Class of 2020, therefore the awards assembly scheduled for May 28th is postponed until further notice. Our scholarship selection committee is nearly finished with the application process and we hope to present the awards in some form or another this summer.

Please be assured that the Foundation's gift will change someone's lives and is a worthwhile investment in the future of our community, potentially benefitting more than just the one or two individuals who receive the awards. Thank you again for your generosity.

Kindest regards,

Jane Richardson
Corresponding Secretary
