We have been blessed once again by the generous donation from you.

A special thanks to the Barceloux-Tibessart Foundation for the grant money that was given to the Wreaths Across America, Orland Area, that will provide memorials at the Masonic and Graves cemeteries to bring attention to the veterans that are resting in those particular cemeteries. The beautiful folded flag piece of art has been ordered and as soon as they arrive, the work will begin. So excited about this year's project to honor our veterans!

Each year we apply for the grant that will enhance the Cemetery in honoring the veterans that have been laid to rest at one of the four cemeteries in the Orland Cemetery District.

We as the Friends of the Orland Cemetery District, Wreaths Across America appreciate your grants that we receive making it possible to do something for our "Heros".

Sincerely yours,

Dorothy Tefelski
